Brentwood Service is turning 20 years old. My brother John and I would like to say thank you.

The past 20 years have brought good times and bad times. We have been blessed with loyal customers who have overlooked our faults and have allowed us to make wrongs right. The old saying goes, "Nobody is perfect" and we are surely not. We believe one must strive to be perfect, and if you fail or wrong someone, make it right, and learn from it. Thanks for allowing us to learn, grow and provide for our families.

In commemoration of our 20<sup>th</sup> year, we are offering a **free** regular oil change with any service of \$100.00 or more until Dec 31, 2012. If you have no repairs needed, how about a **free** rotation with any service!

Once again, thank you for allowing us to serve you for the last 20 years.

Sincerely,

Gary A. Anthony, Brentwood Service
